FALLING FRUIT

Fallingfruit.ie is a project to harvest the seasonal glut of local fruit (apples, pears, plums, nuts, etc.) in Dublin and to direct it to charities that cater for those in need. Each year hundreds of fruit trees go unpicked. 'Falling Fruit' organises a team of volunteers to pick the fruit and distribute it to local charities or other good causes. In 2017, they also aim to collect surplus vegetables from the grower's fields – gleaning for charities! This initiative acts as a helpful service to households who have fruit going to waste in their gardens. It also serves the community by directing the surplus fruit to local charities. Email bernie@fallingfruit.ie PH: 086 2134897 if you wish to offer fruit or volunteer.
