

PARISH OF FINGLAS

Churches of St. Canice and St. Margaret

Vol. 24 Sunday 22nd October 2017 No. 44

Mission Sunday will be celebrated globally this Sunday. The theme this year is 'Reach Out, Spread the Joy.' Throughout the world the faithful will reflect on the universal call to Mission of all the baptised. They will be invited to contribute what they can to support the development and growth of young churches internationally. Mission Sunday is celebrated by every Church worldwide, including the poorest. This special Sunday in October provides Catholics with the opportunity to unite with their missionary sisters and brothers overseas, and to recommit themselves to bringing the Joy of the Gospel to everyone they meet in their daily lives at home and at work. As the Pope's official charity for overseas mission, World Missions Ireland brings the hope of the Gospel where there is turmoil, poverty or uncertainty, and aid to where the Church is new, young or poor. World Missions Ireland empowers local people to form and sustain communities of faith. We also help to train and nurture future leaders so the vital work of the Church can continue to take place. On Mission Sunday, in a special way, we celebrate the work of circa 1,300 Irish born missionaries and all missionaries throughout the world. We thank God for them, for all who support them in our own country and during mission month we unite ourselves in prayer with them and with the communities with whom they work.

All Masses on the first Friday are offered for all those on the Altar List of the Dead.

October the Month of the Holy Rosary Over seventy years ago, the only wartime use of nuclear weapons took place in the Aug. 6 attack on Hiroshima and the Aug. 9 attack on Nagasaki by the United States. The Hiroshima attack killed around 80,000 people instantly and may have caused about 130,000 deaths, mostly civilians. Four Jesuit Priests were nearby the centre of the attack on Hiroshima, but they survived the catastrophe, and the radiation that killed thousands in the months following had no effect on them. The Jesuit priests Hugo Lassalle, Hubert Schiffer, Wilhelm Kleinsorge, and Hubert Cieslik were at the rectory of the church of Our Lady of the Assumption, one of the few buildings that resisted the bomb blast. Father Cieslik wrote in his diary that they only sustained minor injuries from the broken windows – but nothing resulting from the atomic energy that was unleashed. The doctors who took care of them afterwards warned them that the radiation they received would produce serious lesions, as well as illness and premature death. The diagnosis never materialised. No disorders ever developed, and in 1976 Father Schiffer attended the Eucharistic Congress in Philadelphia and told his story. He confirmed that the other Jesuits were still alive and without any ailments. They were examined by dozens of doctors some 200 times over the course of the following years, without any trace of the radiation being found in their bodies. The four religious never doubted that they had been blessed with protection by God and the Blessed Virgin Mary. "We were living the message of Fatima and we prayed the Rosary every day," they explained. **Our Parish Rosary Group will say the Rosary each Sunday in October at the grotto in the Church grounds at 3.00pm. You would be most welcome to be with them.**

On this Mission Sunday We are reminded that no-one is on earth by chance. Each of us is the result of a thought by God. Each of us is willed, each of us is loved, each of us is necessary. Each of us is called to bring people out of the desert of poverty, of injustice, of lack of human dignity, above all of lack of God towards the One who gives life, life in abundance.
